What you need to know

Gear comes ready to go... with tips and instructions

Performance is paramount. We fully service, clean and quality check our gear thoroughly between every use.

We can deliver.

In most cases, for a small fee of just \$8.90 plus 1% of the hire value we will deliver direct. (Pick up same fee applies) We just need to know when you book. Of course in store pick up and returns are free of charge.

Bookings preferred (in person, phone, email)

Work out the day you want to receive the gear and the day it will be back to us. Both days (pick up and return) are free. You only pay for the time the gear is away. (Tip: allow time to familiarize, pack/unpack)

How each hire works

Book early, provide adequate ID, pay by pick up, enjoy your trip, return gear on time and dry (no need to clean). We do the rest. Didn't use it? Sorry, our policy is to fully check any gear that leaves our possession. So you pay for the supply and the time the gear is booked to be away. Late return? An additional supply charge may and daily rates will apply. It's your responsibility to return the gear when you said so check shop times when booking.

Generous School Camp, Group and Quantity Discounts

There are discounts for students on school camps, for schools and recognized trips. Quantity discounts may also apply. Any group with a booking, pick up, return and payment in one transaction may qualify for generous quantity discounts (to maximum of 30%). We'll work out the best price for you, tell you and apply it.

Any extras?

Damage insurance at \$1.50 per item recommended. Late return fees apply so check shop times

Satisfaction Guarantee

If at any time you are not happy with gear we've provided for hire, we will refund without hesitation.
